

Janam Rai

Product Design Lead

📍 Suryodaya - 14 | ✉ raijanam1028@gmail.com | ☎ 9816913977

SUMMARY

Product designer committed to turning ideas into impactful, user-centered designs. I care most about working with good people, collaborating closely, and understanding both client requirements and user pain points through clear communication, designing products that solve real problems.

EXPERIENCE

- | | |
|---|---------------------|
| Product Design Lead, Kharaayo Inc. | Dec 2025 - Present |
| • Lead design for an ongoing multi-module product, driving design decisions across features as the project evolves | |
| UI/UX Lead, Kharaayo Inc. | Sep 2025 - Dec 2025 |
| • Owned end-to-end UI/UX design for a real-world application, delivering complete design for two distinct user-side experiences | |
| • Managed the project alongside design work, coordinating timelines, scope, and execution | |
| UI/UX Trainee, Kharaayo Inc. | Jul 2025 - Sep 2025 |
| • Worked on a live project under mentorship for the first month | |
| • Transitioned to independently driving design work for the remainder of the role | |
| UI/UX Design Intern, Kharaayo Inc. | Mar 2025 - Jul 2025 |
| • Built foundational design skills through multiple redesign projects | |
| • Focused on learning core UI/UX principles and practices | |
| Part-time UI/UX Designer, Techsense Solutions Pvt. Ltd. | Aug 2025 - Oct 2025 |
| • Contributed part-time UI/UX design work alongside primary role | |
-

PROJECTS

AGENHOST Hotel Management System

A Nepal-focused hotel management system with core modules for PMS, POS, OTA channel management, and a QR-based guest portal, additional modules in active development.

Vetyo Digital Veterinary Platform

Vetyo is a digital platform connecting animal owners with trusted veterinarians for consultations, case management, educational content, and accessible animal healthcare.

Saral Accessibility-First Reading Platform (Freelance)

Designed an accessibility-first reading platform for users with dyslexia, ADHD, and autism, featuring customizable typography, color coding, and read-aloud support.

ProLeap Mentor-Led Learning Platform proleap.kharaayo.com

Designed the website for a mentor-led learning platform helping aspiring professionals build real-world skills through hands-on projects.

Amity App School Management Web App

Led the redesign of a school management web app, modernizing the UI and workflows for improved usability.
